

International Framework for Nuclear Energy Cooperation

Reliable Nuclear Fuel Services Working Group Co-Chair

Dr. Tomaž Žagar

Head of Planning, Technical Division
GEN energija, d.o.o., Slovenia

Dr. Tomaž Žagar received B.Sc. degree in Physics from the University of Ljubljana and Ph.D. degree in Nuclear Engineering from the University of Maribor. He is first generation fellow of World Nuclear University in Idaho, USA and alumni of IEDC - Bled School of Management, Slovenia.

Since July 2017 he has been appointed Head of Planning and Control in GEN energija.

Previously, he was appointed Director of Radioactive Waste Management Agency. He was a researcher at Jožef Stefan Institute in Ljubljana, Slovenia and at Institute for Transuranium Elements in Karlsruhe, Germany. He has been working in the nuclear sector for the past 20 years.

He is a Slovenian representative in the Nuclear Development Committee at the Nuclear Energy Agency in Paris and a member of Council for Nuclear and Radiation Safety at Ministry of Environment of Republic of Slovenia; in addition, he was a member of the Council of the Energy Agency of Slovenia.

He is an author of several papers on nuclear engineering, spent fuel, and radioactive waste management.
