

### **Steering Group Vice-chair**

Eng. Collins Gordon JUMA, MBS  
CEO  
Nuclear Power and Energy Agency (NuPEA)  
Kenya

Collins Gordon Juma holds a Bachelor of Engineering Degree (Mechanical) from the prestigious Indian National Institute of Technology and a Master's Degree in Operations Management from the University of Nairobi. He is currently pursuing a PhD in Operations Management at the same university.

Mr. Juma is a Registered Consulting Engineer with Engineers Board of Kenya (EBK), and a Fellow at the Institution of Engineers of Kenya (IEK) of which he is currently its President.

He has worked in the Energy Sector for over 25 years starting as a Graduate Engineer Trainee at Kenya Power and Lighting Company (KPLC) where he rose to the position of Senior Engineer before joining Kenya Electricity Generating Company (KenGen) as a Chief Engineer.

He has worked for the Kenya Nuclear Electricity Board (KNEB) since its inception in 2011, where he has been the Director Technical and Head of Secretariat, before being appointed Chief Executive Officer.

He is the National Liaison Officer between Kenya and the International Atomic Energy Agency (IAEA).

In recognition of the distinguished and outstanding service rendered to his country, The President conferred an award of the Moran of the Order of the Burning Spear (MBS) to him on 12th December 2018.
